5. This application is in condition for allowance except for the following formal matters:

6. This application is in condition for allowance except for the presence of claims 7-9 directed to an invention non-elected with traverse in the reply filed on 02/02/2005. Applicant is

Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
